

## Electrical and Electronic Department

### HOD Details

#### **Mr. Vijay Saxena**

**Contact Number: 9425029865**

Mr. Vijay Saxena holds a degree of M. Tech. (Electrical Power System) having total experience of around 28 years in the area of Electrical Engineering with 5 Years of working experience in Automation Industries. He has been working with CRISP for the last 24 years, he conducts training programmes for corporate batches in India and also had the opportunity of leading International Training Programs at the TVET Centre (Addis Ababa) in Ethiopia. His areas of expertise are Electrical Maintenance, Transformer & Switchgear, PLC, and Industrial Drives. He has undergone training abroad and in India from reputed institutions.

### Faculty Details

#### **Mr. Abhishek Chourey**

**Contact Number: 9604310868**

Mr. Abhishek Chourey - holds a degree of M.Tech (Power Electronics Engg) and PGDBA (Finance) from Symbiosis Pune, having a total experience of around 12 years in the area of Factory Automation and Robotics with 5 Years of working experience in Academics. He has been working with CRISP since the last 3 years; He conducts training programmes for corporate batches in India, His areas of expertise are PLC and SCADA. He has undergone training abroad and in India from reputed institutions. Previously he has worked with TACO, Magna International, and Clearpack India Pvt. Ltd.

#### **Mr. Harish Bharti**

**Contact Number: 8839942462**

Mr. Harish Bharti completed his Graduation in B.E (Electrical & Electronics Engg.) in year 2010. Having a total 3 years of work experience in Power plant and Industry and 7 years of Experience in Training, He has worked as a Maintenance and Safety engineer at Chhabra Rajasthan Power Project, his Area of expatriation is ECR (Electrical Control And Relay Logic Application), Electricians, Control Panel, Transformer and Switchgear Maintenance And Skill Development Program sponsored by Govt. of India, He is a Certified Trainer of Assistance Electrician level - 3, from CSDC, Master trainer in cabling technician, Trainer in O & M Electrical And Instrumentation of Wind Power Plant.

**Mr. Annapurna Tiwari****Contact Number: 9893320613**

Mr. Annapurna Tiwari holds an Engineering Degree in Instrumentation & Control and an M.Tech. in VLSI. He has a total Experience of around 18 years in various Industries and training, out of which 11 years' experience in the Operation & Maintenance of Thermal Power Plant & Distilleries and 7 years of training experience in CRISP. He has worked in Industries – GPIL, Raipur as Asst. Engineer, Vardhman Yarns, Mandideep Raisen (a Unit of Vardhman Textiles Ltd.) as Engineer, Jaypee Group, Balaji Cement, Vijayawada as Engineer, Som Distillery Raisen, as Manager, Haryana Organics as Asst. Manager. He has conducted training programmes in different industries like Hindustan Zinc, Chambal Fertilizer, Bina Refineries, and Ship Industries and also had the opportunity of conducting International Training Programs at TVET Centre (Addis Ababa). His areas of expertise include Field Instrumentation, Solar, Power Electronics and Drives, and a Skill Development program sponsored by Govt. of India. He is a Certified Trainer and Master of ESSCI, IASC, and SCGJ.

**Mr. Pradeep Vashishtha****Contact Number: 93202169020**

Mr. Pardeep Vashishtha holds a Post-Graduation degree and ITI with a specialization in Electronics. He possesses around 30 Years of Industrial Experience in Different Verticals like Electronics Maintenance (Consumer Electronic Products, Industrial Electronics) and quality control of Optical Fiber & Cables in Optical Fiber Cable Plant. He has worked in OFC Projects in Aerial Telecom, Reliance Communications Ltd, HUTCH, and Aster Telecom. Three Years of Practical experience in Training related to Electronics Engineering.

**Mr. Gaurav Sharma****Contact Number: 9993944081**

Mr. Gaurav Sharma is an expert in the field of Electronics and Communication. He holds a Master's degree in Electronics and Communication from SATI Vidisha and a Bachelor's degree in Electronics and Communication Engineering from VNSIT Bhopal. He has gained valuable experience through various professional engagements. He worked as a Project Associate in C-DAC, Hyderabad, during this period, he contributed to projects and initiatives related to his field of expertise. In addition, He worked as an ITI Assessor on behalf of QCI (Quality Council of India) for the Affiliation purpose under IR CLASS. This role involved assessing and evaluating ITI institutes for their affiliation with the relevant authorities.

His work experience is more than 10 years which has primarily been in India, where he has been involved in various projects, assessments, and freelance work. He has been working with CRISP for the last 2 years, he conducts training programmes on Embedded System Design, Internet of Things (IoT), MATLAB, VLSI Design, PCB Design Basic Electronics & Power Electronics, and Electronics Maintenance for Job Seekers and Professionals.

**Mr. Nishant Shrivastava****Contact Number: 9425628719**

Mr. Nishant Shrivastava completed his graduation in BE Electrical and Electronics. Hold the Master of Engineering in Power Systems. Completed his training in the IIM division at BHEL Bhopal. He has been working as a trainer and teacher for more than 5 years for Power Electronics, Circuit theory, Solar EV charging, Solar PV Installations, and Solar Cold Storage.

## Mechanical Department

### HOD Details

#### **Mr. Sandeep Sarse**

**Contact Number: 9826405464**

He holds M.Tech degree in Industrial Design. He has a total experience of around 21 Years as a trainer. Prior to joining CRISP, he worked as an expert in CAD/CAM in NITTTTR (formerly known as TTTI), Bhopal. He is working in CRISP since 1998 conducting In-house as well as on-site training for Industries; while in CRISP he has also developed several Competency Based Training Modules. His areas of expertise are CAD/CAM and CNC. He has been trained in India and abroad in the field of CAD / CAM – CATIA / UG NX / ProE, MOULD DESIGN, Precision Manufacturing – such as Wire Cut, CMM and Reverse Engineering.

### Faculty Details

#### **Mr. Govind Sharma**

**Contact Number: 9755002142**

He is a Mechanical Engineer and a Certified Energy Manager from Gol. He has a total experience of more than 24 years in working in Industries and as a trainer. Prior to joining CRISP he has worked with M/s ATV PROJECTS (I) LIMITED and M/s HEG Ltd. He is working with CRISP for the past 7 yrs., providing training to industries in India and international participants in Ethiopia. His areas of expertise are in the field of production and design of pressure vessels and Maintenance of plant engineering equipment.

#### **Mr. Atul Vishwakarma**

**Contact Number: 9826086607**

Mr. Atul Vishwakarma is a Chartered Engineer from Institution Of Mechanical Engineers (India) with a vast experience of more than 27 years. He has worked in reputed organizations KLG SYSTEL LTD as Regional Manager. He joined CRISP as a trainer on 1st July 2011. He has been trained in Pedagogy and Knowledge sharing program at CRISP. His areas of Expertise are AutoCAD, AutoCAD Mechanical, AutoCAD Electrical, Autodesk Inventor and CATIA.

#### **Mr. Lalit Kumar Daheriya**

**Contact Number: 9425330202**

He holds a B.E Degree (Industrial & Production) and M.Tech (Heat Power). Prior to joining CRISP he has worked as Assistant Professor in a Pvt. Engineering College, in Jabalpur. He is working in CRISP since 2013. His area of expertise is in Design & Manufacturing, AutoCAD, CATIA / UG-NX / ProE and STAAD Pro and is conducting training for Industries. He has undergone specialized training in STADD Pro from Bentley Authorized Training Institute, Pune.

**Mr. Sudhir Vishwakarma****Contact Number: 9589496819**

He is PDAE in Automobile; and has a rich experience of 26 Yrs. working in Industry's' and training. He has worked with Bajaj Auto, Honda Genset, MSIL (Maruti), TATA MOTORS, Volkswagen, TVS Motors, Automobile Dealers and Companies.
